

## Donation Wish List

Thank you for your interest in supporting Prudence Crandall Center and the women, men and children we serve who are experiencing domestic violence.

Because our storage space is limited, there are times during the year when we must limit the quantity of donations we can accept. **Our greatest need is for NEW items.** We can accept some gently-used items on a case-by-case basis. We appreciate your understanding and will happily refer you to another organization if we are unable to accept your donation.

Please contact Krystal Frazao at 860-225-5187 ext. 23 in advance to discuss your donation, determine if there is a need, and make arrangements for drop-off.

**Thank you so much for your support!**
